March 4, 2020

## ALL TEACHING STAFF

As the District considers staffing assignments for the 2020-2021 school year, there is the potential that we may have to change teaching assignments for some of our current staff members in order to meet student needs.

If you wish to consider a transfer from your present assignment, please submit your request in writing, no later than Wednesday, **April 8, 2020**. Include a statement of the educational reasons for such request.

***Please send all requests to:***
