What changed?

- Teachers and Students will use their **G Suite login credentials** to authenticate.

- Teachers and/or students can **only login** using **one of three methods** explained below

- **How to Login?**

1. Access at Home

For teachers, login access can be found on the district's website under **Intranet**:

For students, go to the top of this page to click on the links which will take you directly to the website.

2. District Windows Computers

- ○ Step 1: Login to Windows computers with your network login credentials.
- ○ Step 2: Select the desktop application icon.

- ○ Step 3: Use your G Suite login credentials to access the application.

3. District Chromebooks

- ○ Step 1: Login to the Chromebook using your G Suite credentials.
- ○ Step 2: Open Chrome browser.
- ○ Step 3: Click on the bookmark on the upper left side of the Chrome browser and click on [Longwood], then select the application from the list.
