

Dear Parents and Guardians,

The CEW PTA would like to take this opportunity to welcome everyone to the 2010 - 2011 School Year! We hope that everyone had a wonderful summer. We are a new board, with a positive outlook for the year to come! We are volunteering our time not only for our children but for your children also! Our motto for the 2010-2011 school year is "It's all about the children!!" All the board members are working together as a team! Some of our goals this year include: being organized, working as a team, obtaining 100% participation from the teachers, gain more parent involvement at meetings and PTA function, increase our membership among parents, have events run more smoothly by assigning jobs to everyone that volunteers and most importantly remember that we are here to make everyone's child have an awesome year! We have been very busy planning some of our annual events such as the Harvest Moon Festival, Winter Wonderland, The Book Fair, Fundraisers, Father-Daughter Dance, Mother-Son Event and more!

The National PTA is comprised of nearly six million parents and concerned adults devoted to the educational success and well being of our children. We invite you to become a member too! ***Our first meeting will be Monday, September 13, 2010!*** The doors will open at 6:30 and the meetings will start at 7:00 pm. Meetings are held in the multi-purpose room in the Intermediate building. This meeting will be a little longer than usual. We feel that it is important that our members are informed. Therefore, at this meeting we would like to explain how our meeting is run, the activities that we plan, how to volunteer, what we need volunteers for and answer any questions that you may have. We would like to hear positive ideas and feedback on how to make this year a brighter year for the PTA! ***We are a team!***

Attached is a membership form, a volunteer sign up sheet and a class parent volunteer form. If you would like to volunteer for class parent, any activity, or to chair a committee please return the appropriate form as soon as you can! Remember you must be a PTA member in order to do any of the above, so please get your membership form in!!!! We are going to have a fun year with our focus on making it a great school year for our children! Any forms you send back please mark them to the attention of the PTA.

We look forward to working with all of you! Please feel free to contact any of us! My number is 682-8806. We are always looking for volunteers! You will always be welcomed with a smile, treated with respect and thanked for helping!

Sincerely,

Laura Freudenberg
